

Awakening the Energy Within!

With Sheila Leonard, Certified Teacher and Healing Facilitator

Winter 2019

“Where the mind goes, energy flows!”

Energy is alive! Energy wants to move! The more freely our natural energy flows, the happier, healthier, more joyous and fulfilled we are!

“Come, taste and see!”

T'ai Chi Chih Joy Thru Movement

A set of 20 gentle, repetitive movements that help stimulate, circulate, and balance the flow of our natural energy.

Wisdom Healing Qigong

Practices include posture alignment, gentle, repetitive movements, visualization, sound, breath, and focused intention.

Helping yourself feel better using your own natural resources to open energy blockages for:

- Relieving chronic pain/health issues and other health conditions
- Dealing with daily stresses, anxiety, depression, trauma, and improving mental focus
- Increasing energy, stamina, balance and flexibility, and improving sleep
- Improving immune system response and enhancing overall well-being
- Cultivating deeper self-empowerment, mindfulness, confidence and joy

As one student summed it up, “Doing it just feels good!”

Easily learned in class and continued on your own ... also welcome to keep coming back! We'll be here! The group energy greatly amplifies our own. Can also do it seated. All ages!
