

Awakening the Energy Within!

With Sheila Leonard, Certified Teacher and Healing Facilitator

Winter 2020

“Where the mind goes, energy flows!”

Energy is alive! Energy wants to move! The more freely our natural energy flows, the happier, healthier, more joyous and fulfilled we are!

“Come, taste and see!”

T'ai Chi Chih Joy Thru Movement

A set of 20 gentle, repetitive movements that help stimulate, circulate, and balance the flow of our natural energy.

Wisdom Healing Qigong

Practices include posture alignment, gentle, repetitive movements, visualization, sound, breath, focused intention and attention.

Helping yourself feel better using your own natural resources by opening energy blockages:

- Relieving chronic pain/other chronic issues and numerous other health conditions
- Dealing with daily stresses, anxiety, depression, trauma, and improving mental focus
- Increasing energy, stamina, balance and flexibility, and improving sleep
- Improving immune system response and enhancing overall well-being
- Cultivating deeper self-empowerment, mindfulness, confidence, energy, freedom, & joy

As one student so simply summed it up, “Doing it just feels good!”

Easy to learn. Easy to do. Can also be done seated. The group energy greatly enhances your own. Always welcome to keep coming back! We'll be here! All ages! Healing through JOY!
