Subject: A FREE 3-Part Livestream with Master Mingtong Gu Starts Tuesday

Greetings, Sheila

This Spring has already been full of unexpected change. Like many of us, perhaps you are feeling a bit unsettled and cautious.

To support our community The Chi Center has made a few proactive changes.

We've delayed our Spring Retreat dates a few weeks and have instead decided to offer a FREE 3-Part livestream series over the next 3 Tuesdays...

Healing
The Patterns of War
Disease, and
Oppression

A FREE 3-Part Livestream series
with Qigong Master Mingtong Gu
Tuesdays 9am MDT : March 29, April 5, April 12

Here are the questions Master Mingtong will explore each week on the next 3 Tuesdays:

[Week 1, March 29, 2022:](#)

What is the deep cause of war, disease and suffering? How can we each become the cause of healing war, disease, conflict, and the pandemic?

[Week 2, April 5, 2022:](#)

How to heal the trauma and karma of personal and collective conflict, oppression, and conflict?

[Week 3, April 12, 2022:](#)

How can each of us effectively contribute to global healing and awakening during this time of chaos and uncertainty? It is a choice as well as a matter of human survival.

We hope to see you on the
livestreams!
